B.J. McGlone & Co., Inc. Wins Excellence in Construction Award

B.J. McGlone & Co., Inc. wins DISCA's Excellence in Construction Award 2011 for the Residential category. The Project, Middlesex County Long Term Care Facility consists of a four story, 104,000 square foot residential care facility in Old Bridge, NJ. The facility includes 180 licensed long-term care beds, a 30 bed sub-acute wing, 30 bed dementia care unit, and two 60 bed floors of nursing care. Complementing the facility is a full array of social and common activity spaces including a library, coffee shop, multi-purpose theater, beauty shop, living and exercise rooms.

NK Architects designed the project and it is operated by Middlesex County Improvement Authority. Joseph Jingoli & Son was the Construction Manager for The New Brunswick Development Corporation, (DEVCO).

McGlone' work included exterior cold-formed metal framing, 5/8" exterior gypsum sheathing, 1" polystyrene insulation and 3/4" plywood, Tyvek building wrap and Hardi Plank Siding and Trims for the building exterior.

Middlesex County Long Term Care, Old Bridge, New Jersey

The Project

McGlone also installed over 700 Metal roof trusses of various lengths and heights with corrugated metal decking fastened to the trusses.

McGlone' interior work included metal framing, drywall sheathing, tape and spackle, doors, frames, and hardware. Specialty items installed by the company included crash rails, bumper rails, handrails and corner guards. Finishes were also installed including millwork, trim and casework.

The five plus million dollar contract was completed within budget and on schedule. McGlone is proud to be a valued subcontractor to the Joseph Jingoli & Son' Team.

B.J. McGlone & Co., Inc. is proud to have the Drywall Interior Systems Contractors Association (DISCA) present it with the "**Excellence in Construction Award**" in Residential category for the work performed at Middlesex County Long Term Care Facility.
